Report on White Coat Ceremony – Batch 2025–2026

White Coat Ceremony for the Phase I MBBS Batch 2025–2026 was held on 10th August 2026 in LT 3 at the Institution, marking an important step in students' entry into the medical profession and highlighting values of professionalism, ethics, and compassion.

The ceremony was graced by the Hon'ble Principal, Dean Academics, Heads of Anatomy, Physiology, Biochemistry, and the MEU Coordinator, along with the Phase I MBBS faculty.

The programme began with a welcome address. The Hon'ble Principal motivated students to pursue medicine with sincerity, discipline, and empathy. The Head of Anatomy then administered the oath to Batch 2025–2026, reaffirming their commitment to professional responsibilities.

The ceremony concluded on an inspiring note, encouraging students to begin their journey as responsible and compassionate future doctors.
