

### **Workshop on Awareness Programme for upcoming Lok Sabha elections**

As India gears up for the Lok Sabha elections in 2024, the role of voter awareness becomes increasingly significant. Keeping this in view Al-Falah University conducted a workshop on LOK SABHA ELECTION-2024, an initiative by the Election Commission of India. Mission of this workshop is to educate and encourage voters for their right to vote and also to understand the importance of ethical voting. Such workshops are important in reaching out to young voters, who are the future of the nation. Workshops like this provide information on how to register to vote, check enrolment status, and understand the electoral process. Students participated with full enthusiasm and shown their keen interest in upcoming election activities.
